

Lunch Program for the 2021-22 School Year

Greetings St. Andrew Catholic School Families:

Food 4 Life is proud to continue to provide lunch for the students, faculty, and staff at St. Andrew Catholic School. We will continue to work closely with the school administration to ensure a safe and healthy environment as we provide lunches to your children.

Our monthly menus will be available on the school website as well as on the Food 4 Life website. Due to the construction in the cafeteria, lunches must be pre-ordered therefore it is imperative to establish a lunch account so that you are able to order lunch for your children as desired. Lunch orders are due by 5:00 pm the day before. (For example: If ordering lunch for Tuesday, the order must be placed by 5:00 pm on Monday.) Lunches orders won't be accepted the day of.

For families with an existing lunch account: DineRite, our previous lunch account software is no longer in business and we have partnered with MealManage. You should have received an email through MealManage inviting you to log in with an access code. If you have not received an email, please let us know. We encourage you to log on prior to the first day of school to ensure that everything runs smoothly. If the account had a remaining balance due from the last school year, it has been carried forward to MealManage..

For families that DO NOT have an existing lunch account: Complete a lunch account form and return it via email (makala@food4lifecaterer.com). Once your child is in the system, you will receive an email through MealManage (our lunch program software) with a link and code. Once this is done, you can log in any time simply using your email address. Please note, you cannot order lunches with no funds in the account.

Once you log into the account, there are tutorial videos regarding adding funds online and meal ordering. Funds can be added to your child's account with cash or check (payable to Food 4 Life) and turned in to the office. When sending cash or check payment to school, please place the payment in an envelope with the child's full name. Credit/Debit card payments may also be made online, however there is a processing fee added to the transaction. Notification via email will be sent once your child's lunch account balance falls below \$20.00.

We thank you for allowing us to serve your children. To learn more about Food 4 Life please visit our website www.food4lifecaterer.com and follow our social media pages on Facebook and Instagram.

If you have any questions or would like to provide feedback please email Makala Denefield at makala@food4lifecaterer.com

Blessings,
